SCUBA Diving

Already Scuba Qualified? We run single dives and a number of scuba camps throughout the year that individuals are welcome to come along to. This gives you the opportunity to hire gear if you need, find a scuba buddy and have an experienced dive master or guide from the SSAG team. We have had camps at Yankalilla for diving at Rapid Bay and the Ex-HMAS Hobart wreck, Mt Gambier for fresh water diving at Ewens Ponds, Kilsby's sinkhole and snorkelling at Piccaninnie Ponds, Whyalla to dive during the giant cuttlefish breeding season in winter and boat diving on the wrecks around Wardang Island at Pt Victoria and other Jetty's along the coast.
